

BECOME A WE WILL VOTE CONGREGATION

Building Civic Leadership and Congregational Power Through Faith

WHAT IS WE WILL VOTE?

For three election cycles, We Will Vote has equipped Nevada faith communities to lead nonpartisan civic engagement efforts that strengthen their congregations and amplify their collective voice in their communities.

We Will Vote is Faith in Action Nevada's election engagement initiative that equips faith communities to educate, engage, and mobilize their congregations during the 2026 election season.

WHY FAITH COMMUNITIES?

Faith communities are trusted institutions that shape how people care for one another, engage their communities, and live out their values. Through We Will Vote, congregations have an opportunity to strengthen civic leadership, encourage informed participation, and demonstrate the power of faith in action.

By becoming a We Will Vote Congregation, you join a statewide network of faith leaders committed to building stronger communities and increasing civic participation across Nevada.

LEARN. LEAD. ACT.

LEARN

Prepare your congregation for the 2026 election season through nonpartisan civic engagement training and resources.

LEAD

Bring civic engagement into the life of your congregation through voter education and values-based conversations.

ACT

Mobilize your congregation through We Will Vote Sunday, Souls to the Polls, and other election engagement opportunities.
